

Dear store manager,

I'd like to request that you carry For Good Granola's (no-oat) buckwheat granola at \_\_\_\_\_.

For Good Granola brings flavor indulgence and nutrient-rich ingredients to everyday granola. This award-winning granola is loaded with organic and non-gmo ingredients you'll recognize, is naturally sweetened, and has absolutely no preservatives.

This is a granola that is always in my pantry and would love if I could purchase it locally at your store.

Sincerely,
